YOUR PURPOSE, OUR UNITED IMPACT

RESEARCH & ADVOCACY

We conduct community needs assessments and provide important local data to amplify individual voices and address the unique challenges in our towns. We give you a platform to take action and make change!

VOLUNTEER HUB

We connect you with meaningful volunteer opportunities and events that make a difference! We understand the importance of making an impact on your community, right here at home.

DISASTER RESPONSE

United Way continues to support our community long after a disaster is over. We work with local partners on long-term recovery efforts and respond quickly when disaster strikes to help ensure people and communities can rebuild and thrive.

CONVENE & COLLABORATE

We bring our community together to convene and collaborate with partners to build a brighter future for all. As a catalyst for change, we lead collective efforts to enhance well-being throughout Johnson & Washington Counties.
